

MUSHROOM SCIENCE VIRTUAL 2021

*An event organized by the
Malaysian Society for Biochemistry and Molecular Biology –
Special Interest Group: Mushroom Science*

The MSBMB Special Interest Group (SIG) Mushroom Science is deeply honored to host the second annual Mushroom Science Virtual 2021 (MSV2021) meeting.

We are pleased to invite mushroom researchers from all over Asia to gather in this meeting with the aims of stimulating research, encouraging academic exchange and strengthening networking connections. We are providing a platform for young scholars to discuss recent advances and future trends of Mushroom Science to advance their professional development.

ADMISSION TO MSV2021 IS FREE OF CHARGE*

*Please note that the MEETING LINK will be emailed upon Confirmation of Registration.

PLENARY SPEAKERS

Associate Professor Dr. Hyun-Jae Shin

Department of Chemical Engineering
Chosun University, SOUTH KOREA

Professor Dr. K.R. Sridhar

Department of Biosciences
Mangalore University, INDIA

Prof Dr. Renato G. Reyes

Center for Tropical Mushroom
Research and Development
Department of Biological Sciences
Central Luzon State University, PHILIPPINES

Dr. Iwan Saskiawan

Research Centre for Biology
Indonesian Institute of Sciences
INDONESIA

MUSHROOM SCIENCE VIRTUAL 2021

REGISTRATION

1. Admission to MSV2021 is Free of Charge.
2. Please note that the MEETING LINK will be emailed upon Confirmation of Registration.
3. Abstracts will **ONLY** be accepted upon COMPLETE REGISTRATION.
4. Oral slots are subject to confirmation by the Scientific committee.
5. e-Certificates will be issued to Oral Presenters and participants.

ABSTRACT SUBMISSION

The Organising Committee welcomes the submission of original contributions for oral presentations on the following topics:

- Breeding of Mushrooms
- Mushroom Cultivation and Safety
- Medicinal Mushrooms/Fungi
- Biochemistry of Mushrooms
- Taxonomy and Ecology
- Industrial Application of Mushroom and Its Product
- Mushroom Biotechnology
- Genomics, Proteomics & Metabolomics of Mushrooms
- Mushroom Protein Structure, Function & Regulation
- Mushroom Molecular Biology & Biotechnology
- Pharmaceuticals & Pharmacogenomics
