

20 January 2022

Prof. Dr. Shin Hyun Jae
Department of Biochemical Engineering
Chosun University,
Gwangju, 61452
South Korea

Dear Prof.,

Plenary Speaker at the 10th International Conference on Mushroom Biology and Mushroom Products (10th ICMBMP 2023), Mushrooms for Planetary Health from March 15 to 16, 2023 in Universiti Malaya, Kuala Lumpur, Malaysia.

We are pleased to invite you to the 10th ICMBMP, a conference dedicated to showcase mushrooms, is organised once in four years. It is a much awaited conference which offers opportunities for virtual interactions to learn the up to date research findings that will contribute to planetary health. It is an excellent platform to network with world renowned research and business professionals, mushroom business practitioners and even mushroom enthusiasts.

2. We thank you for accepting our invitation to share your expertise in mushroom science and to deliver a virtual plenary lecture titled '**Environment friendly mycocomposite: Challenges and Innovation**'.

We believe your participation as a speaker at 10th ICMBMP2023 will ensure a successful conference.

Thank you.

Serving the Nation, Impacting the World.

Regards,

PROF. DR. VIKINESWARY S., FASc
Chairperson
10th ICMBMP 2023
Institute of Biological Science
